Who We Are

The Enlisted Association of the National Guard of the United States (EANGUS) was formally organized in 1972 with the goal of increasing the voice of enlisted persons in the National Guard. EANGUS is a nonprofit organization dedicated to the principles of providing an adequate national defense and promoting the status, welfare, and professionalism of the men and women of the Army and Air National Guard by supporting legislation that provides adequate staffing, pay, benefits, entitlements, equipment, and installations for the National Guard.

Beginning with 23 states, EANGUS now has representatives in all 50 states, Guam, Puerto Rico, the US Virgin Islands, and the District of Columbia, and has a chapter comprised of those who serve the Guard on national tour. With a constituency base of over 414,000 Soldiers and Airmen, their families, as well as thousands of retired members, we are the only association that specifically works issues of the enlisted force of the National Guard.

EANGUS Auxiliary

WHAT THE AUXILIARY DOES FOR EANGUS
The Auxiliary supports and promotes EANGUS in attaining goals and objectives and provides support and fellowship to National Guard families. Among the many support efforts, the Auxiliary provides support of legislative efforts for the improvement and retention of benefits for members of the National Guard and their families, and assists with planning and preparation of the EANGUS and Auxiliary Annual Conference. The Auxiliary is also concerned with family issues and provides scholarships to spouses and dependents.

The Value of Membership

EANGUS has successfully advocated for legislation that directly impacts and benefits our members!

- Veteran status for members of the National Guard that served 20 years or more, but never served 180 consecutive days under Title 10
- Urgent Care clinic visits without needing a waiver
- Promoted duty status reform & discouraged prevalent use of 10 USC 12304b authority
- Advocated for predictability as Army plans for increased RC deployments.
- Promoted TRICARE Reserve Select for all Federal employees who are RC Servicemembers, including military technicians
- Survivor Benefit Plan equity for IDT deaths
- Supported the Harry W. Colmery Veterans Educational Assistance Act of 2017. The legislation addressed 12304b inequities concerning education benefits. It retroactively provided Post-9/11 GI Bill benefits to anyone that served
- Pre- and post-mobilization healthcare coverage for RC Servicemembers serving on 12304b orders.
- DD 214 issued to all National Guardsmen at the end of their service contract.
- Repeal of mandatory COVID-19 vaccine mandate.
